

# 19" 18U 600x800 550W STZK

Telecommunication cabinet

Thermo-insulated 18U 19" air-conditioned cabinet with STZK dimensions 1074/625/998 (depth 921cm with air-conditioner). Ingress Protection Rating 66 with 550W air-conditioner. Cabinet mounted on a 600x600 aluminium base.

The design solutions used ensure:

- protection against penetration of solid foreign bodies and liquids at the ingress protection rating of IP 66
- protection against external mechanical impacts at the IK rating of 09
- efficient cooling of heat-emitting devices - hot air accumulated in the upper part of the cabinet is sucked in by the air-conditioning unit, cooled and then blown back towards the lower part of the cabinet. This results in equal cooling of the entire interior of the cabinet, eliminating the formation of so-called „heat spots“ especially in between the devices;
- heating of the inside of the cabinet to the desired temperatures;
- decompression and draining of condensate from the cabinet chamber without affecting the declared tightness of the cabinet;
- provision of a 25-year warranty on the metal structure.

Rack rail height	18U
Distance between rack rails [inch]	19"
Height [mm]	1074
Width [mm]	625
Depth [mm]	921
Internal dimensions [mm]	852 x 578 x 562
IP rating	IP66
IK rating	IK09
Material	Aluminium PA11
Doors [pcs]	1
MOREK	1
Hermetic lock [pcs]	1
Cast polyurethane gasket	yes
Color	RAL7035
Weight [kg]	70
Corrosion warranty [year]	25
